Friend Wilcox.

I received your letter last week, and was very sorry to hear you were sick, and hope by the time you get this you will be as lively as ever, ~~(and let me know how you are)~~ I am very much obliged to you for as long a letter and hope they will come often. You must be careful and not ride too much until you get more strength, for it will take you longer to get well, and I hope your Visit up Home will be pleasant. Mate to help you write this last mes-
but perhaps next time you will be
more lucky in having her there, I
am much obliged to you for ~~trans~~

My Wife says send Wilcox a Rio from

I am very sure I took it for you.

Every thing is about the same here in
Town, I am still at Green St, once
a day, & but it is not the same
place it used to be when you were
there, they are most all new places
faces, and we do not have near
as good a time they hardly ever
meet in the Parlor, but ~~scot~~ for
these Rooms as soon as they swallow
these dinners and suppers. I have
not much to write this time, not as
