Monday -

Dear G-g -

Enclosed you will find a money order for only \$5. I would like to send more, but I just can't see my way clear. Saturday, I bought a shirt, tie, some socks and handkerchiefs. I am going to give a half dozen shirts to the laundry besides some socks etc., so all this leaves me with just enough to scrape along on -

It is a good thing that we didn't attempt to drive home this week end, the roads are quite icy. I don't think anything, except another blizzard, can hold us back this week end. We managed to have quite a nice time here over the week end. We picked up some girls and went to town. If we don't cavort at least once a week, we begin to feel dead, just like the Serantonians.

We hired two boys today, I laugh, or perhaps I should say cry, when I think of the terrible conditions in Seranton. I laugh, because the damn fools get married (at about 19 yrs. old)

they have no jobs, and only get about \$5 a week relief, so it really seems funny, evayy, pathetic and typically Scrantonian at the same time.

Everything is going fine. The boss was out here Friday and part of Saturday, and could not find anything to complain about. I must learn to type; also I must learn how to work a teletype machine, which we now have. These will take care of themselves. I manage to get a little practice in on both of these.

Just this minute received a letter from Sam and everything seems to be fine with him.

P.S. "Wherewithall"

Bob.
